Dave Agema Announces Candidacy for State Representative 74th District

Dave Agema is running for the State Representative in the 74th District. We believe the district needs a leader with his proven record of commitment and service.

Dave Agema states, "We need to bring more jobs to our area. It is imperative that Michigan is ***the place business comes and stays!*** We need less onerous laws and less excessive taxation. We must make Michigan a place where our children and grandchildren can **expect** to find **good jobs**"

It is **Dave's sincere desire** to bring an innovative approach to state government - **Common Sense Government... at a "Common Cents" Cost.**

Agema feels his strongest asset is that he is not a career politician, allowing him to think outside the political box with his economic and business background. Michigan

government must be able to **create jobs and keep jobs** by working in concert with local business. We must be competitive in the global market.

We have the people, the **government needs to create the environment.**

Agema and his wife of 35 years believe family values and community involvement are very important. They lead mission trips to Guatemala where they feed and build houses for orphans and widows. Agema is Vice President of an inner city literacy and faith-based educational organization and is part of the Carpenter's House jail ministry at Ionia Prison.

Dave Agema is a graduate of Calvin College with a BA in Economics. He holds an MBA in Business Management and Supervision from Central Michigan University. He completed pilot and fighter training in the United States Air Force and USAF Squadron Officers school and Command and Staff schools. [For More info: www.daveagema.com](http://www.daveagema.com)
